Education Is Learning To See

Opening Day

TOP: New teachers are introduced to the student body on the opening day. MIDDLE: Mr. Hayden encourages students to take advantage of the opportunities that await them during the 1966-67 school year. BOTTOM: School begins officially with the consecration ceremony.

EVENTS

Education is learning to see the significance of the special events which occur during the school year. We have the opportunity to meet people from other countries who come as visitors to our school. Talented people from our community present assemblies, either to further our education or to entertain us. Celebrations like October 28th remind us of our historical heritage.

October 28, the annual celebration of OXI Day, serves as a reminder of our history and heritage. Flag Day, October 27, emphasizes the flag as a symbol of liberty and freedom. Combined with these important holidays is the celebration in honor of St. Demetrius, the patron saint of Thessaloniki.

A. Kallinderi enthusiastically leads her class's singing during the bus ride to Agios Prodromos.

C. Koundourelli crosses the slippery rocks of the brook near the girls' picnic site.

Mountain Day

Playing guitars and singing shorten the hike up the mountain at Kouri for Mr. Vourdas and Iykeion boys.

Prizes Awarded for Academic Achievements

P. Lefkopoulos and I. Karamitsou win first prizes for top scholarship.

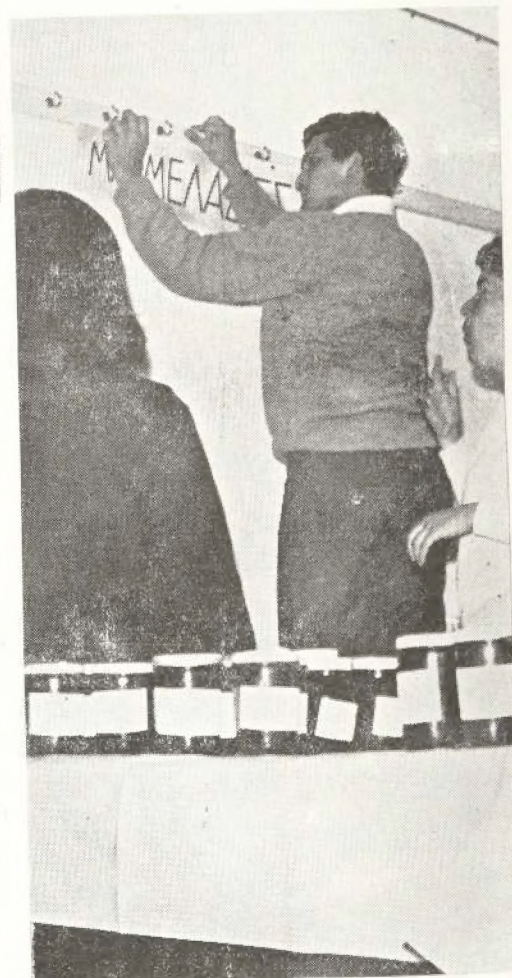

Fourth former, E. Kazazi, receives gymnasium award from Mrs. Falari.

Fifth former G. Constantinides puts up his paintings for the art exhibition on Bazaar day.

N. Tsavaris helps the girls set up the marmelade section.

Mrs. N. Godhi enthusiastically supports the scraps which Anatolia girls prepared for the Bazaar.

Bazaar

The annual Bazaar in December is organized under the guidance of Christian Efforts and Welfare Clubs. Nearly all the items sold at the Bazaar, such as marmelades, embroideries, Christmas decorations and cards, are prepared by the students. The profits are used for philanthropy.

TOP: J. Zelevaris sells Christmas decorations to visitors. MIDDLE: N. Pavlidou eagerly tries to persuade customers to buy copper items. BOTTOM: An overall scene portrays the crowded but gay atmosphere of the Bazaar.

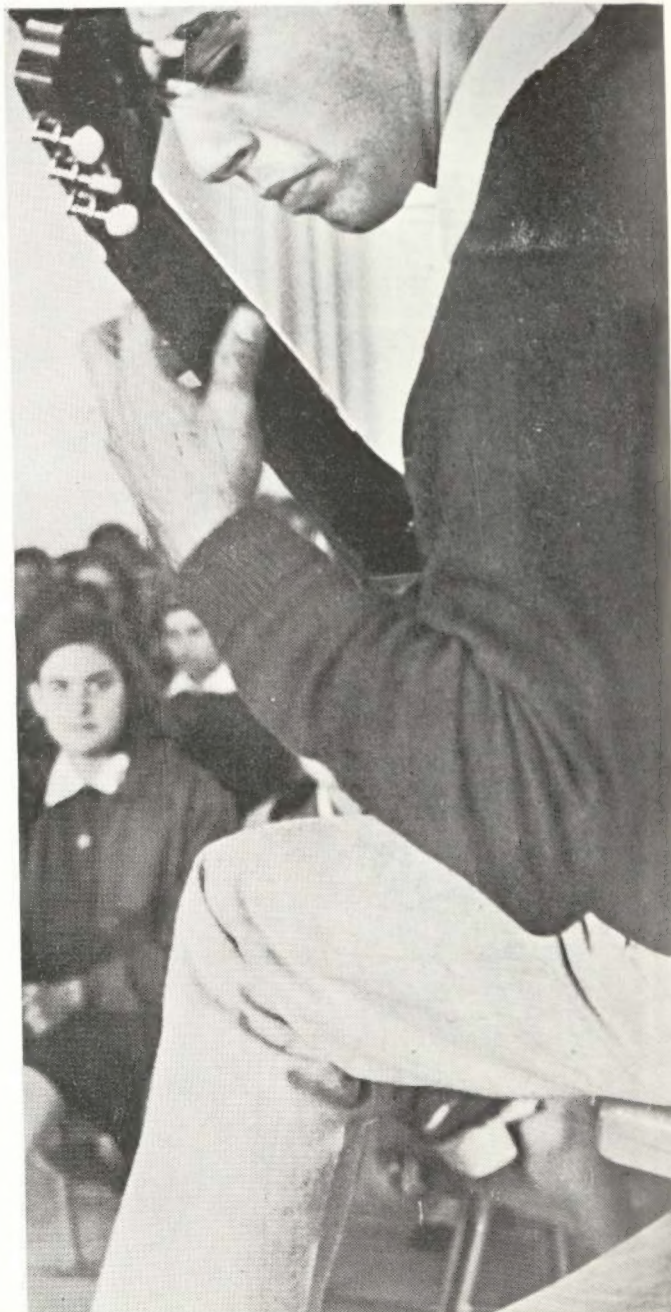

LEFT: French horn player, T. Zarimbas, performs at a noon assembly. BELOW: Stalhis Galatis presents a classical guitar program for both the gymnasium and the lykeion.

Assemblies

K. Stamateiou and L. Garefi play classical and modern pieces at a gymnasium assembly.

Miss A. Milton, teaching fellow, plays and sings American folk songs.

Student pianist, L. Deledemos, gives a concert for gymnasium students.

Fifth form boys, L. Siam, B. Tsinikas, H. Theoharides, sing a varied selection of American songs.

Anatolia During Autumn Visits to Greece

Snow On Campus

brings an exhilarating event to everybody. Anatolia has a brighter, softer look; shadows stretch longer than usual. Recess means walking in the snow, throwing snowballs, and building snowmen.

The expressive faces of students show the suspense of uncertain and tense moments during sports events.

The daily personal encounters between students and teachers are important moments in our educational experience.

FACULTY

Education is learning to see. Teachers are those who guide us in this process of education. Searching their faces as they try to enrich our minds and develop our characters in the classroom or outside the classroom, we always find an expression which combines scholarship, enthusiasm, experience, and —most of all— love for their work and us.

Boarders Show Versatility in
Leisure Time Activities

Recreation during the year included indoor and outdoor parties, often for both boarding departments; folk and modern dancing; and evening programs of games, singing, movies, and concerts.

Halloween Party

Halloween, October 31, is celebrated in the boarding department with a masquerade party. For days before boarders prepare costumes, blow up balloons, and cut out party decorations. At the party there are dancing, games, refreshments, and a colorful parade which is climaxed by the awarding of prizes for the best costumes.

Carnival Party

Gymnasium boarders enjoy themselves at a Saturday afternoon party playing games and watching Ti-Hi student, R. LaRue, performing magic tricks.

Christmas Party

Boarders open Christmas season by decorating their Christmas tree. The traditional Santa Claus, played this year by Miss J. Mansfield, delivers presents which bring delight and amusement to the faces of the younger students.

TOP: F. Bakali and N. Kontos watch T. Bohtatzoglou open her Christmas surprise. MIDDLE: Santa Claus spreads cheer to high-spirited boarders. BOTTOM: After dinner everyone gathers around the piano to sing Christmas carols.

Participation in the sports program at Anatolia means long practice sessions, strenuous exercise, and the developing of team coordination. Class teams play against each other; and the varsity teams compete with varsity teams from Ti-Hi, the Greek College, and various public high schools.

SPORTS

Education is learning to see that knowledge is more than attending lectures and taking examinations; it is more than facts and theories. Knowledge is also exercise, good sportsmanship, and successful team work.

CLUBS

Education is learning to see that class work is not the only way to knowledge. Clubs lead us to another form of knowledge. They encourage us to develop our capacities as persons and as members of society. They also encourage the competence which will help us to achieve richer and more effective personal lives.

Advisers: Miss R. Christodouloupoulou
Miss M. Kondozioglou
President: M. Kozi

Athletic Associations promote team work and emphasize sportsmanship. With representatives from each class, these associations plan the intramural activities for the year.

Advisers: Mr. A. Doukas
Mr. G. Kasapides
President: S. Avdis

Advisers: Mrs. O. Plataridi
Mr. R. Musgrove
Mr. A. Georgopapadakos
Presidents: C. Iasonidou
N. Papaconstantinou

Student Councils achieve greater communication between students and administration. Both student councils have tried to coordinate and reorganize student government this year.

Girls' Student Council

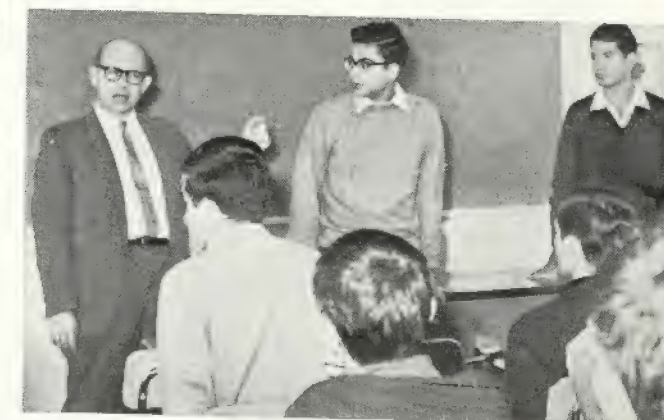

Boys' Student Council

C. Iasonidou stands after she has been nominated for student body president.

Mr. Musgrove uses N. Kondos as a model during a discussion about school uniforms.

Prosanatolismi

Adviser: Mr. P. Fay
Editor: G. Houliaras

These two publications present original compositions by students. Prosanatolismi publishes literary writing; Anatolia College News publishes school news and provides staff members opportunities in learning to write journalistic reports.

Anatolia College News

Adviser: Mr. N. Papahadjis

Greek Literature Club studies Modern Greek writers and poets through the presentations of its members.

Adviser: Mr. V. Baglanis
Presidents: E. Tsakirides
K. Miaouli

Library Club teaches gymnasium students how the library works and how to use it efficiently.

Adviser: Mr. S. Paraskevaides

Pottery Club

Adviser: Mrs. S. Demetriadou
President: A. Capon

Painting Club

Adviser: Mr. G. Paralís

Pottery and Painting Club members express their artistic talents by molding clay and by working with colors in different mediums.

Advisers: Mrs. D. Kaloyeropoulou
Miss C. Watrous
President: F. Bakali

Christian Efforts Club

These two clubs work to aid the community. They try to reach this goal by organizing the annual Bazaar and using the profits for philanthropy: they sponsor several parties for the deaf school and local orphanages. Another project of the clubs is providing help and support to individual needy families.

Members undertake major responsibilities for setting up and supervising the Christmas Bazaar.

Members of the club give candy to children from the village of Taxiarchi.

Welfare Club

Adviser: Mr. V. Papaconstantinou
President: N. Tsavaris

Travel Club

Adviser: Miss A. Papademetriou

Membership in these clubs helps students expand their knowledge to unknown areas: in the Travel Club, by learning about many countries through speeches and slides; in the World of Tomorrow Club, by exploring new discoveries in science and by studying their effect on our lives.

World of Tomorrow

Adviser: Mr. N. Papageorgiou
President: I. Karamitsou

Adviser: Mr. C. Botsakis
President: S. Koudou

Math Club

Science and Math Clubs provide ways for students to pursue their interests and extend their knowledge in these areas. At meetings members solve challenging problems and carry out experiments.

Adviser: Mr. J. Panayiotides
President: T. Tsoli

Science Club

Photography Club helps its members understand technical and artistic aspects of photography.

Adviser: Mr. Agapis
President: M. Nissim

Public Relations Club participants learn protocol, act as guides for visitors, and write letters to Anatolia donors. Adviser: Mr. S. Paraskevaides

Psychology Club gives members an introduction to the theories of psychology and an opportunity to discuss the behavior of both real and fictional acquaintances.

Advisers: Miss J. Mansfield
Miss A. Milton
President: N. Alamanis

Correspondence Club members learn more about the life, customs, and thinking of young people around the world by corresponding with them in English.

Adviser: Miss N. Gouta
President: M. Gazi

Friends of the Blind visit blind children and copy school books in Braille for them. Adviser: Mr. A. Kehayias, President: P. Lazarides.

Light Music Club Lykeion students gather every Monday to listen to records, popular and folk, from Greece and foreign countries. Adviser: Miss K. Newman.

Adviser: Mr. A. Kyriakakis
President: G. Arzoglou

Music Appreciation Clubs

Lykion Music Appreciation Club studies the evolution of music from Gregorian chants to the classical composers while the gymnasium students become acquainted with and listen to a variety of classical works.

Adviser: Mr. A. Pappas
President: L. Deledemos

Chorale

Adviser: Mr. A. Pappas
Presidents: C. Plousios
L. Lambridou

Glee Club trains future members of the chorale.

In addition to participating in the October 28 and March 25 school programs, the chorale performed for the students of the American Farm School, at several concerts in Thessaloniki, and in Kavala and Florina. This year, for the first time in its history, the chorale made a record. The record of Christmas carols was produced by the Philips Company

M. Gazi and P. Ecclisiarchou practice clear diction and tone during a chorale rehearsal.

The chorale follows Mr. Pappas' directions during a recording session for the Christmas record.

Advisers: Mr. D. Holbrook
Mr. V. Stoyiannos

Drama Club

During club meetings Mr. Holbrook explained and discussed some of the problems actors face on the stage. After long preparations and rehearsals, the club presented a school performance of Chekhov's "The Boor."

M. Fourakis acts the role of Luka, the servant of Mrs. Popove.

Mr. Holbrook gives last stage directions before the performance of Chekhov's "The Boor."

G. Houliaras makes up H. Lessios for his role in "The Boor".

V. Katsipodi plays Mrs. Popove, a bereaved widow.

1967 Anatolian began work in the spring of 1966 with the selection of new staff members and section editors. After sections and lay-out pages were assigned, the section editors organized their work during the summer. When school opened, schedules had to be made, a theme selected, pictures chosen, copy written and rewritten, lays-out drawn and redrawn, and advertising sold. In the spring of 1967, finally came the satisfaction of seeing the freshly printed pages of the yearbook.

WTO-ZAW

Education is learning to see that after years of preparation we have the privilege and the responsibility of making concrete contributions to the life of our school. It is learning to see that graduation will not mean completion of our education, but it is rather a milestone in the long way to knowledge and maturity.

«... σέ πόλεις Αίγυπτιακές πολλές νά πᾶς,
νά μάθεις καὶ νά μάθεις ἀπὸ τοὺς σπουδασμένους...»

Ἄγωνία νά κερδίσουμε λίγα λεπτά
ἀπὸ τὸ διάλειμμα.

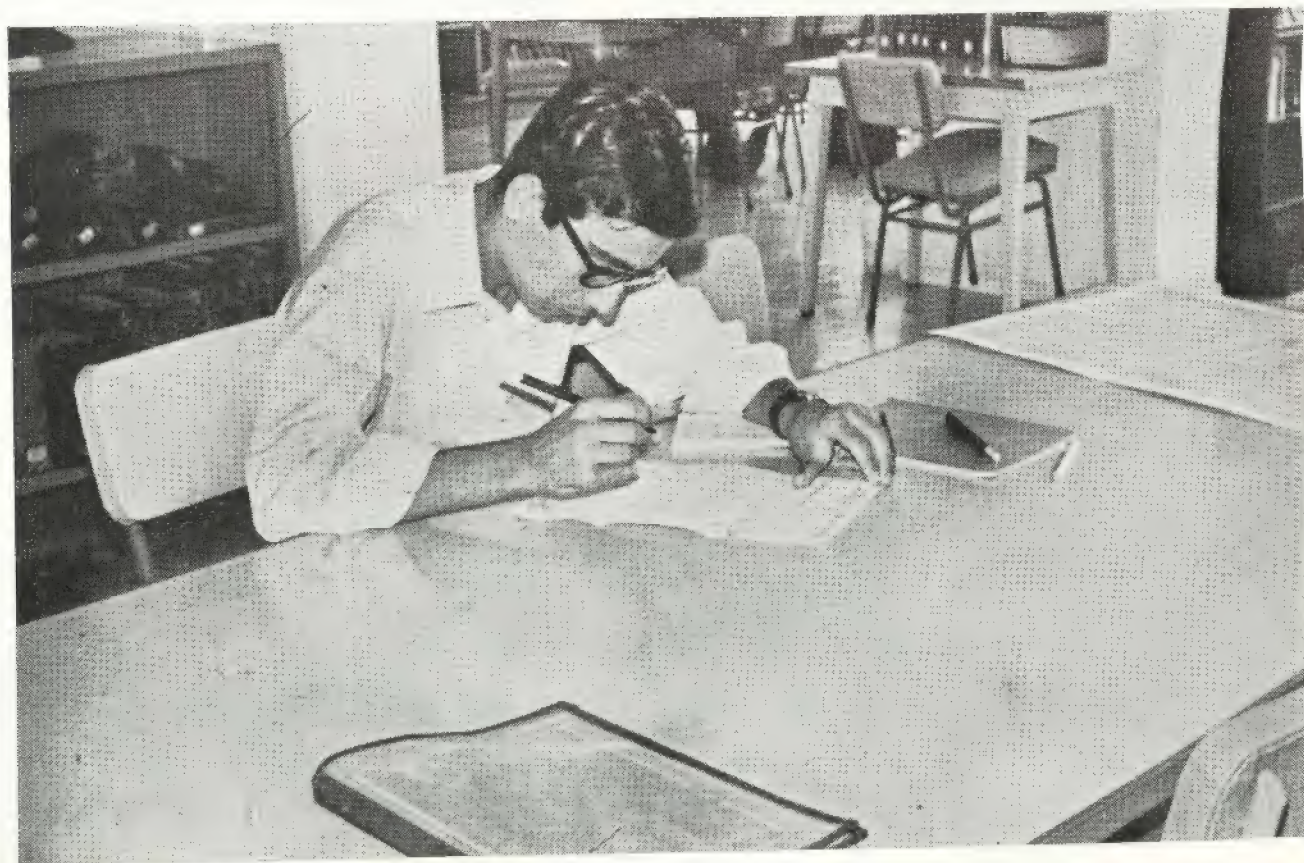

Ἡ χρονιά πού φεύγει ἀφήνει
πίσω της δύμησες πού μέσα
ἀπ' τὶς σελίδες αὐτές θά γί-
νουν σέ λίγο ὁμορφες ἀναμ-
νήσεις.

Τὸ ἐνδιαφέρον μας γιὰ
τὴν Ὑγιεινὴ μένει ἀμεί-
ωτο. Εἶναι ἄλλωστε πο-
λὺ ἐνδιαφέρον καὶ χρή-
σιμο μάθημα.

Ήταν πολλές οι αγωνίες μας φέτος. Πάνω απ' όλες όμως στάθηκε η αγωνία των σπουδών μας. "Άλλοι απ' την αρχή της χρονιάς έζησαν την αγωνία των εξετάσεων και των αιτήσεων για πανεπιστήμια του εξωτερικού, ενώ άλλοι έζησαν και ζούν την αγωνία του 'Ακαδημαϊκού, δίνοντας πολλές από τις ώρες τους για φροντιστήριο.

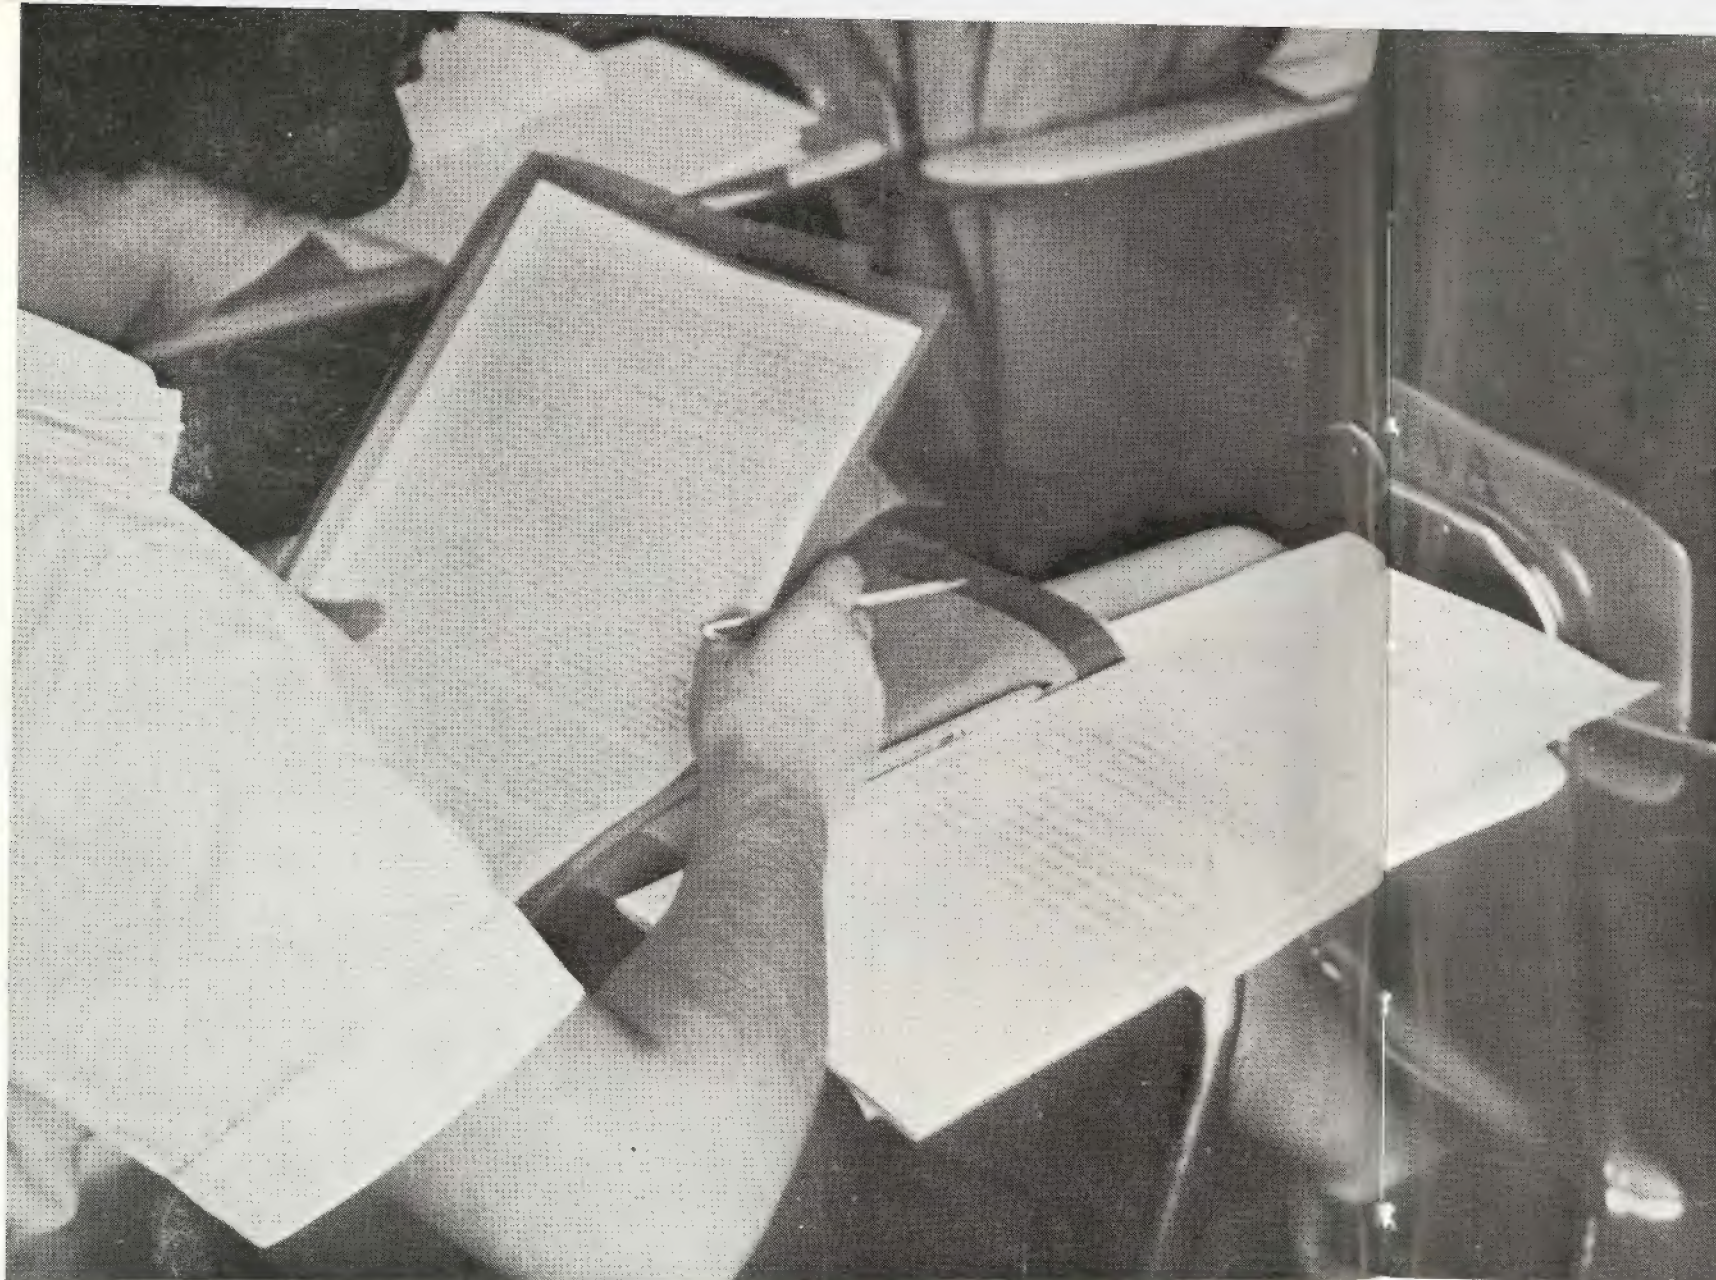

Τα περιοδικά και τα βιβλία τα 'Αγγλικά, α-ραδιασμένα στο πίσω μέρος της τάξης, μ'ας έκαναν νά αποκτήσουμε μια πιο ολοκληρωμένη γνώση για την σύγχρονη 'Αμερικανική και 'Αγγλική λογοτεχνία πού μελετήσαμε στην τάξη των 'Αγγλικών.

Πάντα η επιστροφή και τα σχόλια κάποιου test ή κάποιας εργασίας ήταν θέμα συζήτησης.

Μόρφωση σημαίνει μοναξιά. Ώρες πολλές
μοναχικές που τις γεμίζουν μια στίβα βιβλία
κι ή προσπάθεια για γνώση.

Ἀναλύσαμε τὸ θεατρικὸ ἔργο τοῦ Thornton Wilder «Ἡ Μικρὴ μας Πόλη» στὴν τάξη τῶν Ἀγγλικῶν, ἀλλὰ δὲν ἦταν ἀρκετὸ γιὰ μᾶς. Μιὰ ἀναπαράσταση τῆς τρίτης πράξης μᾶς ἔκανε νὰ τὸ νιώσουμε καλύτερα, τοῦ ὅσῃ ζωῇ.

Κύριο θέμα συζήτησης στὶς συνεδριάσεις τῆς τάξης μας ἦταν ἡ ἐκδρομὴ μας. Τελικὰ, ὕστερα ἀπὸ τὴν ἀπρόοπτη ματαίωση τῆς Πασχαλιᾶτικης ἐκδρομῆς μας στὴν Κρήτη, ἡ Κέρκυρα φιλοξένησε τὰ ἀγόρια, ἐνῶ τὰ Μετέωρα καὶ οἱ Δελφοὶ τὰ κορίτσια.

Τὴν ἀθλητικὴ ζωὴ τὴν ζήσαμε τὸ ἴδιο ἔντονα μὲ τὴν ζωὴ στὴν τάξη. Δίκαια λοιπὸν φεύγοντας τ' ἀγόρια νιώθουν περηφάνεια γιὰ τὸ ποδόσφαιρό τους, ἐνῶ τὰ κορίτσια γιὰ τὸ ὅτι θὰ τίς θυμῶνται γιὰ χρόνια σὰν "πρωταθλήτριες".

Ο Σ. Ανδρέου καθώς παίρνει το πρώτο βραβείο για κριτικό δοκίμιο στα ελληνικά.

Ἑπτὰ χρόνια μαθητικῆς προσπάδειας φτάνουν στὸ τέλος τους. Δύο ἀπὸ τοὺς συμμαθητές μας βραβεύονται σὰν οἱ καλύτεροι μαθητές τοῦ σχολείου, κι ἐμεῖς συμμετέχουμε στὴν χαρά τους μὲ τὴν πίστη πὼς αὐτὸ εἶναι μιὰ ἐπιβράβευση τῆς μακρόχρονης προσπάδειας ὅλων μας.

ΑΡΙΣΤΕΡΑ: Σχολιάζοντας ένα fest Φυσικής καθώς γυρίζουμε από το άμφιθέατρο ΜΕΣΗ: Ώρες περισυλλογής και ανάπαυσης. ΚΑΤΩ: 'Απ' την τελευταία μας έκδρομή στο Κουρί.

Φωτογράφισε.

"Έτοιμη σε 15 δευτερόλεπτα.

Μάλιστα είναι αλήθεια.

Με μία μηχανή POLAROID LAND το μόνο που κάνετε είναι να σκοπεύσετε, να τραβήξετε και να σύρετε το φιλμ έξω από την μηχανή. (Η εμφάνισή του γίνεται αμέσως αυτόμάτως. Δεν υπάρχουν υγρά μέσα στην μηχανή). Μετά από 15 δευτερόλεπτα «ξεφλουδίσετε» το φιλμ, και βλέπετε την φωτογραφία που τραβήξατε.

Όξυτατη. Καθαρή. Όμορφη.

Έστω κι αν δεν έχετε ποτέ σας τραβήξει φωτογραφίες, θα έχετε επιτυχία.

Εάν δεν σας άρεση πολύ ή πόσα που τραβήξατε, ξανατραβήξτε.

Σε 15 δευτερόλεπτα θα έχετε ακριβώς αυτό που θέλετε. (Δεν χρειάζεται να τραβήξετε ένα ολόκληρο φιλμ και να περιμένετε να εμφανιστεί για να δείτε τι κάνατε).

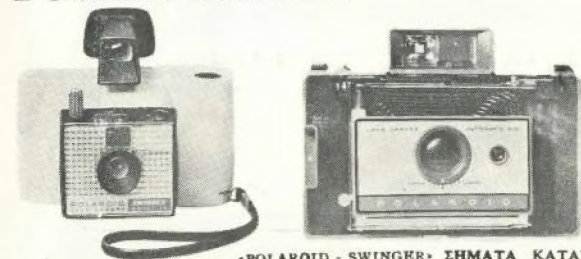

Είδατε πόσο απλή είναι η φωτογράφιση;

Εάν όλα αυτά σας φαίνονται απίστευτα, πηγαίνετε στον μεταπωλητή σας φωτογραφικών ειδών και ζητήστε να σας κάνει μιαν επίδειξη.

Βλέποντας, θα το πιστέψετε.
